

**360 Systems** HDD recorders and editors  
**ADC Telecommunications** Patch Bays  
**ADTRAN** Integrated Access Hardware  
**AEA Wireless** RF Analyzers  
**AETA Audio** POTS and ISDN codecs  
**AEQ SA** Audio consoles, codecs, phone hybrids  
**Air Corp.** Microphone Processors  
**AirTools (Symetrix)** Broadcast audio delays  
**AKG Acoustics** Microphones and accessories  
**Altronic Research** RF test loads  
**Andrew Corporation** Transmission line  
**Antenna Concepts** FM/TV antenna systems  
**Anvil Cases** Portable equipment cases  
**Aphex Audio** processing products  
**Armstrong Transmitters** AM & FM Transmitters  
**Arrakis Systems** Audio consoles, furniture, automation  
**ATI** Audio consoles, distribution amps  
**Atlas/Soundolier** Microphone supports  
**Audio Accessories** Audio patch bays  
**Audio Technica** Microphone products  
**AudioArts (Wheatstone)** Audio consoles  
**Audiolab Electronics** Bulk tape erasers  
**Audemat** Off-Air Monitors/RDS Encoders/Transmitters/Remote Controls  
**Auralex** Acoustic foam  
**Autogram** Broadcast audio consoles  
**Belar Electronics** Lab Modulation monitors  
**Belden Wire And Cable** Audio cable  
**Benchmark Media Systems** Audio products  
**Best Power (Powerware)** Uninterruptible power supplies  
**Bext** FM transmitters and translators  
**BeyerDynamic** Microphones and accessories

**Bird Electronics** Wattmeters, loads  
**Broadcast Devices** AES/Composite Switchers/DA's, Audio Interfaces, RF Power Meters & Switch Controllers  
**Broadcast Electronics** AM/FM transmitters, central states only  
**Broadcast Tools** Unique broadcast circuitry solutions  
**Burk Technology** Remote controls, EAS equipment  
**Cablewave (RFS Systems)** Transmission line, antennas  
**Cellcast (Marti Electronics)** Cellphone remote equipment  
**ChronTrol** Industrial timers  
**Circuit Research Labs (CRL)** AM/FM/TV audio processing  
**CircuitWerkes** DTMF controllers, voice couplers  
**Coaxial Dynamics** Wattmeters, RF loads  
**Comrex** Telephone interface systems, codecs  
**Conex** Electro Systems Audio switching products  
**Control Concepts** Industrial AC line surge arrestors  
**Crown (Audio)** Professional audio power amplifiers  
**Crown Broadcast** (Transmitters) FM transmitters/translators  
**Crescend(Vocom)**UHF and VHF power amplifiers  
**Cutting Edge** Broadcast Audio Processors  
**Danagger Audio Works** Silence Eliminators  
**Davis Instrument** Weather stations  
**Davtronics** AM RF amplifiers  
**Dayton Industrial** FM/SCA/NOAA/EAS receivers  
**DaySequerra** HD Radio modulation monitors and tuners  
**DBX Professional Products** Audio processing equipment  
**Decibel Products** Communications antennas, filters

**Delta Electronics** AM antenna system test equipment  
**Denon Electronics** Professional CD, MD systems  
**Dielectric Communications** Transmission line, antennas  
**Digital Audio Labs** PC audio cards, editing software  
**DM Engineering** SAGE EAS peripherals, silence sensors  
**Dixon Systems** Audio consoles, composite switchers  
**Dorough Electronics** Audio metering systems, test sets  
**Electro Impulse** RF loads and calorimeters  
**Electronics Manufacturing** Replacement rectifier stacks  
**Electro-Voice** Microphone and speaker products  
**Enberg Electronics** Studio alert displays  
**Energy-Onix** FM transmitters  
**ERI (Electronics Research)** FM broadcast antenna systems  
**ESE** Clock and timer systems  
**Eventide** Digital audio delays, effects processors  
**Excalibur** Broadcast audio accessories  
**Fanfare Electronics** Off-Air Monitors  
**FEC Professional** equipment mounting products  
**Fidelipac (LPB)** Audio consoles  
**FM Systems** Cable A/V processing equipment  
**Fostex** Speakers, recorders  
**Gabriel Electronics** Microwave antenna systems  
**Garner Products** Degaussers  
**Gepco** Audio wire and cable  
**Gorman-Redlich** EAS equipment, weather receivers  
**H.O.M.E.** Equipment rack cabinets  
**Hafler** Profesional Audio power amplifiers  
**Hammond** Equipment rack cabinets

**Henry Engineering** Audio interface products, solutions  
**HHB Communications**  
**Heil** Studio microphones  
**Innovative Technology** Surge suppressors  
**Inovonics** Audio processing, AM/FM modulation monitors, RDS Encoders  
**Jampro** FM/TV antenna systems  
**JBL** Professional Studio monitor speakers  
**JCJ** Wonder Mast Portable rpu antenna mast  
**Jensen Tools** Electronic tools  
**JK Audio** Telephone interface equipment  
**JVC Professional**  
**Kay Ind. (Phasemaster)** Rotary phase converters  
**KinTronic Labs** AM phasing equipment, components  
**KRK Monitoring** Studio monitor speakers  
**Larcan** TV transmitters  
**LBA** AM antenna systems, unipole kits  
**LEA International** Surge Suppressors  
**Lectrosonics** Wireless microphones  
**Linear** TV products  
**LPB Audio**  
**Lucid (Symetrix)** Audio-Digital & Digital-Audio converters, digital tools  
**Luxo** Microphone arms  
**Mackie Design** Audio mixers  
**Magnum Tower Co.** Broadcast towers  
**Marantz** Professional Portable cassette and MD decks  
**Mark Antenna/Prodelin** Microwave antennas  
**Marti Electronics** STL and RPU systems  
  
**MCI (Micro Communications)** UHF coaxial components  
**Microflect** Broadcast tower systems and accessories  
**Microwave Filter Co.** RF filter products

**Middle Atlantic** Equipment rack cabinets and accessories

**Modulation Sciences** TV/SCA/RBDS equipment

**Moseley Associates** Digital and analog STL systems

**MRC (Microwave Radio Company)** Microwave systems

**MRL (Magnetic Ref. Labs)** Reference and alignment tapes

**MTS (Multi-Tech. Services)** EAS equipment

**Mueller Broadcast Design** Tone Decoders

**Murphy Studio Furniture** Broadcast studio furniture

**Musicam USA (CCS)** Codecs, digital audio distribution

**Myat RF Systems**, fm/tv antennas, rigid transmission line

**Nautel** Solid state AM/FM transmitters

**Neumann** Professional microphones

**New Frontier Electronics (Surgex)** AC power line surge arrestors

**Nicom** Radio and TV transmitters, antennas, consoles

**Northern Technologies** AC power line surge arrestors

**Nott, Ltd.** AM unipole antenna systems

**O. C. White** Microphone arms

**OmniaBroadcast** Audio Processors

**Omni Mount** Speaker support systems

**Orban Broadcast** audio processors

**Otari** Reel/Reel recorders

**Phartronic** Transmission line pressure sensor

**Phasemaster (Kay Industries)** Rotary Converters

**Phasetek** AM phasors and atu's

**Phillystran** Fibreglass tower guy wires

**Pioneer** CD players, audio equipment

**Polyphaser** Lightning and surge protectors

**Popless** Voice screens

**Potomac Instruments** Remote control and RF measurement

**Powerware** Uninterruptible power supplies

**PRINT** Test equipment

**Prodelin (Mark)** Microwave antennas

**PTEK** FM transmitters and power amplifiers

**QEI** FM transmitters and monitors, digital audio link systems

**Raxxess** Equipment racks and accessories

**Racom** Digital Telephone Announcers

**Rane** Audio processing and mixing equipment

**RDL-Radio Design Labs** Audio interface solutions

**RF Systems (AudioLab)** RF Isolation couplers

**Rohn** Broadcast towers

**Roland** Digital audio products

**Sabine Audio**

**Samco Antennas** STL/RPU yagi antennas

**Samson Technologies** Wireless microphones, PA amps

**Scala/Kathrein** Communications antennas

**Sennheiser** Professional microphones and headsets

**Shape Electronics** Voltage regulation and surge protection

**Shively Labs** FM broadcast antenna systems

**Shure Brothers** Microphones, mixers and wireless mics

**Sine Systems** Broadcast transmitter remote controls

**Sonic Foundry (Sound Forge)** PC digital editing software

**Sony Electronics** professional audio products

**Soundolier/Atlas** Equipment rack cabinets

**Spectraflex** Microphone, instrument and speaker cables

**SSAC** Solid state tower light management

**Stantron** Portable equipment cases

**Starcase** Portable equipment cases

**Superior Electric (Stabline)** AC voltage regulators

**SWR** FM antenna systems

**Symetrix** Audio processing products

**Tannoy** Professional monitor speakers

**Tascam/Teac** Professional CD, DAT, R/R equipment

**Telewave Communications** antennas, filters, combiners

**Telex Communications** Microphone headsets

**Telos Systems** Digital telephone audio systems

**Tepco** FM translator products

**TFT** STL, EAS and RF monitoring equipment

**Thermo Bond** Transmitter and equipment shelters

**Tieline America** POTS and ISDN Codecs

**Times Microwave** coaxial cable

**Titus Technological Labs** On-air lights

**Transtector** Surge arrestors

**Triplite**

**Tunwall Radio** RF switch controllers

**TWR** Lighting

**TxRx** (filters) RF cavity filters

**Ultimate Support** Microphone and speaker stands

**Universal Electronics** SCPC satellite audio receivers

**Valley Audio** Audio processors

**Video Quip** A/V switching and processing equipment

**Vocom(Crescend)**UHF and VHF power amplifiers

**VoxPro/Audion** Digital voice editors switching and processing equipment

**WA-COM** (TX-RX) RF cavities and filters

**West Penn** Audio cable

**Will Burt** Pneumatic telescoping antenna masts

**X-it Grounding** Chemical grounding systems

**Yamaha** Audio mixers, effects processors

**Z Technology** Field strength meters

**Zephyrus** Broadcast satellite receiving systems

**MAIN OFFICE**
